Beavers Lodge Playgroup

Dear parents,

We are promoting positive interactions with children. We will appreciate if you can please spend some time interacting positively with children, listening to them actively and sharing their ideas. It will be helpful if you can please greet them actively after each session of the playgroup. Please do not use your mobile phones when picking up the children from the playgroup and instead spend few minutes of positive interactions with them.

Thanks, and regards

Beavers Lodge Playgroup.
